We are an allergy aware business, we understand the needs of the allergic customer and we operate a food safety management system with trained staff to control major food allergens and other foods which our customers may wish to avoid. However some of our menu items contain nuts, peanuts, seeds and other allergens or ingredients which you may wish to avoid. If you wish you may speak with a member of staff who will help you make a suitable choice.

We do have allergen ingredients on the premises so we will go to every effort to ensure there is no cross contamination but we cannot guarantee this 100%.
